

### Game Tips:

Listen carefully to Peter and Reuben. They tell you what you must do next. Game objectives must be completed in the correct order, so listen carefully. The Red Pointer points in the "general direction" of where you need to go next. Use your forward arrow + shift key to walk fast. Press "home" key to jump. Press X to get in and out of the boat (when located at the correct dock). There are two ways up to get the fish and loaves.

### Game Steps:

1. Meet and hear from Peter on his boat and then on the dock at Bethsaida.
2. Go into Bethsaida, find and convince your "Uncle Reuben" to go hear Jesus.
3. Collect the 5 loaves and 2 fishes and walk down the beach to hear Jesus.
4. Hear Jesus preach, then offer him the bread and fish.
5. Collect up the 12 baskets from the people and give them back to Jesus.
6. Speak with Uncle Reuben, and then go fishing on the Sea of Galilee in your boat.
7. Answer the quiz questions out on the Sea, and choose a discussion panel for further study.
8. Watch a reflection music video featuring the song "5 Loaves, 2 Fishes".

### Questions to Ponder:

1. What were Reuben's excuses for not wanting to go hear Jesus?
2. What excuses do people give today for not wanting to spend time learning from Jesus?
3. Where, when, and how do YOU learn from Jesus?
4. What is the difference between "learning from" Jesus and "believing in" Jesus?  
...And how do you become a "believer" in Jesus?
