There are 50 Short Stories in Play & Learn Children's Bible CD. The two main menus, **Bible Stories** and **Values**, contain *the same* 50 stories. They are merely grouped differently. The groupings on this page come from the Bible Stories menu. Each of the pages in the 50 stories contain hidden animations. Roll your mouse over the page to see and click the hotspots. In the Game Room, 25 of the 50 stories can be found as coloring pages. The other 25 can be found as puzzle pages. Additional teaching helps for this program can be found at www.sundaysoftware.com/tips

Ages 4 through 7 (with help). For best viewing, set your display resolution to either 640x480 or 800x600. Go to www.sundaysoftware.com for more great Christian Education software.
